### **EXTRA-CURRICULAR ACTIVITIES**

Pupils are encouraged to participate in extra-curricular activities. This is a critical facet of their total education; it corresponds with their academic growth. Both components are crucial in preparing our learners for life. Our school is unswerving in its pledge to an education that extends beyond the limits of the schoolroom.

Indemnity from games can only be approved on the production of a medical certificate. It is in the interest of each child that he/she should take part in some school extra-curricular activity.

The conventional team sports are offered. These include athletics and ball games such as girls' soccer, boys' soccer, netball, volleyball and rugby. Various societies and clubs are active

- Debate club, Drama club and Choir
